Sponsorship Opportunities

As a sponsor or donor of **Inspired!**, you are supporting BreatheStrong CF's ability to ensure that people with cystic fibrosis receive access to activities that empower them to live a healthier life.

Inspired! is special evening that brings together friends, supporters, and community partners for a night filled with camaraderie, silent auction, drinks, catered heavy hors d'oeuvres, and most importantly - inspiring stories.

We are especially proud to present our Inspired and Impact Awards to community members who have been inspiring in the way they live with CF or who have made a significant impact on the cystic fibrosis community.

This year, we have moved to a larger venue to welcome more than 100 attendees celebrating inspiring stories of perseverance, generosity, and hope.

Thanks to groundbreaking therapies, the median predicted life expectancy for a child born with cystic fibrosis today has increased to approximately 65 years - a milestone that was once unimaginable.

Yet, living with CF is physically demanding and financially overwhelming. Those additional years are only meaningful if people can access the care and resources, they need to stay healthy and make it through today.

BreatheStrong CF exists to bridge this gap. We provide immediate, practical support that helps people with CF maintain and improve their health and independence.

Nationally, through our Exercise Grants and, in Georgia, grocery card assistance through our Critical Needs Initiative, we help remove financial barriers to life-sustaining activities. By ensuring individuals and families have access to exercise and nutritious food we help them stay healthy enough to benefit from tomorrow's medical breakthrough.

Our exercise grants power movement and motivation by fueling activities that push the body and the lungs. With up to \$650 in support, recipients can choose the activity that inspires them most.
